

Plymouth Christian Preschool

Dear Preschool and TK Parents,

I pray that you, your child, and family are well during this time of social distancing, illness, and financial hardship on our nation and world. Thank God for his daily protection and for providing for all of our needs. I'm extremely grateful for the technology that allows us to remain connected through the Remind App and most recently, virtual time through Zoom meetings.

As we look forward to moving ahead with operating our preschool services, as early as May 18th, **(depending on the minimum students needed to operate)**, I am surveying the immediate needs of our parents. Please fill out the *Return to School Notification Form* and return to school via mail by **April 24th**, or it may be emailed to orona.m@plymouthchristianschool.org.

Please look at our updated **Wellness Policy** for all students, staff, and parents. This will be strictly enforced as we all make our way back on campus. It may be found on our website at www.plymouthchristianschool.org

Although we have been out of school session since March 17th, we are planning a wonderful, fun-filled academic, spiritual, and social program to make up for our time out of school. See the flyer attached. We also are offering FREE registration to any child of any essential and first responder employees-hospital, police, fire fighter, banking, government, grocery, or restaurant. So spread the word and earn up to \$100 in credit tuition if a new family enrolls due to your invitation!

Thank you again for your continued support throughout this unprecedented time.

God bless,

Ms. Marissa Orona

Director/Vice Principal

How We Are Keeping Your Child Safe at Preschool

1. Limiting class size to 10 children per class.
2. Specific staff assigned **ONLY** for sanitizing and disinfecting tables, toys, and busy areas on campus throughout the day.
3. Strict Wellness Policy enforced for students and staff. This includes taking daily temperatures and monitoring students throughout day.
4. Designating **ONE** area for drop-off and pick-up of children. This area is along Pilgrim Way near preschool office.
5. Masks must be worn by staff, students, and parents while on campus until further notice. This is temporary.
6. Cots at nap time will be set 6 feet apart.
7. All events and large group activities are cancelled or postponed until further notice.
8. Hand washing schedule strictly enforced.
9. Outdoor time will be scheduled by individual classroom.
10. Restructuring activities and classroom centers to help young children as best we can to have and give personal space to others.
11. Use creative signals like elbow bumps, foot shakes, hand signals, etc. to show love and support to our students.♥
