

Plymouth Christian Preschool

To Our Beloved Preschool and TK Families,

I pray that you and your family are well and healthy during these difficult days of global illness/quarantine and financial hardship. We trust in God for our protection.

I regret to inform our parents who had notified the need for preschool and childcare in April, that we do not have enough students to maintain the necessary daily operation status. This conditional non-operation status will remain until May 5th or until we meet the minimum amount of families who need essential preschool for childcare purposes.

Your child's enrollment status from now throughout the summer months will be secured. Your monthly tuition will resume when your child resumes back to school. We ask that all families provide a two-week notification of your child's return date in May. We will allow exceptions if your employer's notice to return to work is shorter than two weeks.

Please keep in mind that all families still need to register for the **2020/21 school year**. As a courtesy to our families, we are extending the due date to **June 1st, 2020**.

A revised "Wellness Policy" for all students, staff, and visitors will be uploaded on our website by March 31st to help keep everyone on campus healthy. With continued lowered supplies, we appreciate any donations such as disinfectant spray or wipes, non-latex gloves, and tissue.

Again, thank you for your well wishes, prayers, support, words of encouragement, and love for our "little school" during this trying season.

God bless you,
Marissa Orona
Preschool Director
