## Notes From Ms. Shelley

### Welcome Back to School!

Thank you for all the homework being turned in promptly! We do have a couple of missing Science books. Please return on Monday as we will be using them soon. On our new homework packets the reading assignment is "Read 15 minutes." You and your child can decide what to read, but I want your child to be an active reader! Reading books, newspapers, cookbooks, magazines are all awesome. I did tell your child that flipping through the pictures doesn't count as being an active reader!

Your children are doing an awesome job with great behavior! They chose their seats during Meet the Teacher time and are still in those same seats working hard. You can be proud of them!

Ms. Shelley

## Bible Verse

Matthew 3:17

And a voice from heaven said, "This is my beloved Son, whom I love; with Him I am well pleased."

(Recite Sept. 20)
